

Chambers Global Practice Guides 2016 – Insolvency

The Bahamas chapter in the newly published *Chambers Global Insolvency Practice Guide* has been authored by Delaney Partners.

Chambers & Partners Publishing, the leading publisher of research-based guides assessing law firms and lawyers internationally, has recently launched a series of Global Practice Guides, containing practical guidance on doing business in key jurisdictions.

“We use our knowledge of the world’s best lawyers to select leading law firms in each jurisdiction to write the Law & Practice’ sections”, stated the Series Editor, Claire Oxborrow.

Authored by the *commercial litigation, business restructuring & insolvency* team of Delaney Partners, led by John K F Delaney QC, The Bahamas chapter provides a comprehensive overview of the restructuring and companies’ liquidation framework of The Bahamas.

The Bahamas chapter may be accessed via the internet at:
