PRIVATE CLIENT WEALTH & IMMIGRATION

The Bahamas is one of the world's foremost wealth management centres. Many wealth management solutions are available, including: trust structures, exempted limited partnerships, private foundations, purpose trust, SMART funds and standard funds. Additionally, to facilitate wealth management structures, a new incorporated entity called a Bahamian executive entity, is now available.

Moreover, The Bahamas has become a preferred choice for many desiring a blend of cosmopolitan and tropical culture in a sophisticated financial and legal environment.

Delaney Partners, together with advisors in other disciplines, offers comprehensive private wealth management legal advice in addition to advice and support concerning immigration and residency for those wishing to relocate.

Delaney Partners can assist with:

- Establishing trusts, foundations, exempted limited partnerships and executive entities;
- Establishing private trust companies;
- Advising trustees on matters relevant to the exercise of powers under trust deeds;
- Advising on setting up and structuring of SMART and Standard Funds;
- Structuring your wishes and preparation of wills;
- Applying for probate or letters of administration or the resealing a foreign will;
- Residency or citizenship applications;
- Work permits and visas; and
- Liaising with financial, real estate and other services professionals.
