

DELANEY
PARTNERS

Delaney Partners is a group of commercial lawyers with expertise in the core areas of practice required for the international financial centre of The Bahamas and the domestic business community.

Our group is committed to quality service, professionalism and responsiveness.

We bring substantial private sector experience in our areas of concentration along with significant public sector service and understanding of the relevant regulatory environment.

A boutique commercial practice, Delaney Partners offers financial institutions, high net worth individuals, family offices, and commercial enterprises dedicated and skilled legal advisors with an unparalleled level of responsiveness, availability and personal attention.

Our language capabilities are English, Spanish, Greek, Italian, French and Portuguese.

We invite you to experience the legal services of Delaney Partners.
